

Rules of conduct

Karup-Kølvrå Recreation Center aims to be a place where sports and social activities are both fun and safe and fun. We are many who use the facilities, so we must be considerate of each other and take care of the premises.

- Photography and video recording in the changing rooms is prohibited.
- It is not allowed to bring alcohol.
- Use the designated trash cans to throw out trash.
- Doing sports in the indoor sports grounds is only allowed in clean footwear that does not leave marks on the floor.
- Smoking, vaping and using snuff is only allowed outside in the designated smoking areas.
- Indoor ball games are only allowed in the designated court.
- There is no running in the hallways. It is not allowed to play in depots or equipment rooms.
- Staying in the changing rooms, hallways and the basement is only allowed for people with errands in the areas in question.
- There must be a responsible coach/trainer present when using the facilities and changing rooms. The coach/trainer must make sure the team follows the rules of conduct as well as:
 - Keeping the changing rooms and facilities neat after use.
 - Making sure no personal belongings and valuables are left in the facilities; use the assigned containers for lost and founds.
 - Keeping the time so that the use of changing rooms and facilities matches the agreed time.
- It is not allowed to play in the sports center or the gym nor use the equipment even if the areas are empty. This is for your safety and because of wear and cleaning. Jethallen is a training and sports center, so we ask you to respect that only the athletes use the facilities.

If you violate the rules of conduct, you may be asked to leave permanently or for a period of time. Vandalism and unauthorized use of the facilities may lead to liability to damages.

Regards, the management board
